

EMERGENCY CALL POINT

OPERATING INSTRUCTIONS

IN CASE OF EMERGENCY

- Do not open the door - the Fire Telephone is strictly for the use of the Emergency Services.
- Press the 'CALL' button to initiate a call.
- The STATUS light will illuminate and a ring tone will sound.
- The call will be answered.
- Wait for the operator to finish speaking before replying.
- Speak clearly in the direction of the unit. Do not press or hold the 'CALL' button during the conversation.
- When the conversation finishes the STATUS light will remain on. The operator is kept aware that you have made a call from this location and can contact you again.
- If you want to speak to the operator again press the 'CALL' button.
