

IP65 Enclosure

Compliant to BS5839-9:2021

The CARE2 system features a number of remotes which can be wired in a radial style from a control panel.

The C2RRBIP is an IP65 rated enclosure that enables external mounting of the standard green disabled refuge remote.

CARE2

FEATURES:

- IP65 rated enclosure to house a standard green disabled refuge remote (C2RRBIP).
- Robust, quarter turn, handle to open/close.
- Surface mounting.
- Features the same green finish as the refuge remote unit.
- Designed for mounting in refuge areas, such as balconies, which are served directly by a safe route to a storey exit.
- Complete with termination card and internal bezel for easy fitting of the disabled refuge remote.

PRODUCT CODES:

- C2RRBIP - IP65 rated enclosure.
- C2RRG - green refuge remote (standard).
