

Engineer Training for the OmniCare & Care2 EVC Systems

This is a 'hands-on' practical course for engineers that will be responsible for maintenance of a Care2, OmniCare and OmniCarePLUS systems. This training session is run by one of our engineers who has many years of experience working with our systems.

SUBJECTS COVERED:

CPD:

- One hour on important principles and Standards.

Baldwin Boxall Systems:

- Overview of all products.
- How to carry out cable checks.
- Zero Volt checks.
- Wiring of the different sized systems.
- Step-by-step loop building.
- Testing.
- Networking.
- 'Offset' and 'range' setting.
- Fault finding tips.
- Q&A.
- Review.

SUITABLE FOR ENGINEERS:

- Responsible for fault checking and BS5838-9 maintenance of our EVC systems.

GENERAL INFORMATION:

- Attendees should aim to arrive by 9.15 am for registration.
- The session will begin at 9.30 am and end no later than 4.00 pm.
- Timings are approximate - the sessions are partially led by the requirements of the attendees.
- Held at our factory in Crowborough, East Sussex, this training course is comprehensive and informative.
- Space is strictly limited to six engineers per session to ensure maximum benefit.
- Parking can be provided, but is limited. For those wishing to travel by train, we are opposite Crowborough mainline rail station which is on a direct line from London Bridge.
- Local accommodation is available at favourable prices.

WHAT IT COSTS:

- In order to cover the costs involved we charge a nominal fee per engineer for attendance at our courses.
- Attendees are provided with a selection of useful handouts and are provided with refreshments, including lunch.

Description	Account Holders	No Account
EVC training day	£95.00 + VAT	£140.00 + VAT

HOW TO BOOK:

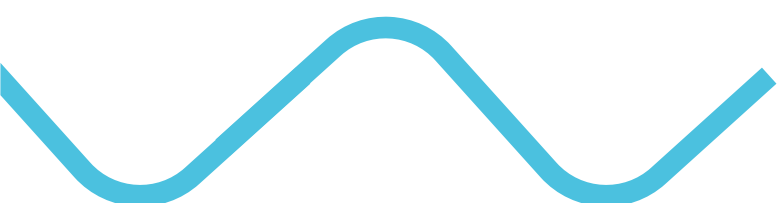

- For availability and booking please contact Sophie Clements (sophie@c@baldwinboxall.co.uk).
- A company purchase order will then be required to confirm your reservation. Please advise if there are any special dietary needs for attendees when booking. (If you do not have an account with us, payment prior to your chosen date(s) will be required.)
- There is limited parking available, please advise if travelling by vehicle.

CANCELLATION OF BOOKINGS:

- Please note that occasionally, it may be necessary for Baldwin Boxall to change, or cancel, dates. If this is the case, we will be in contact to arrange an alternative suitable date.
- If for any reason, you need to make a cancellation, please give 48 hours notice prior to the date the training is due to commence. Any notice given under 48 hours prior to the training will be chargeable at the full rate.

BESPOKE TRAINING:

- In addition to the courses listed, we can also provide bespoke technical training. If this is of interest, please contact Ashley Wright to discuss your requirements.
